

Fabian Socarras

Product designer / Web Developer

heyfabe.me

Experience

Product Designer, Apollo Group Oct '23 - Present

Designed and developed multiple web applications, ranging from official corporate site, to B2B career hiring portals.

UX/UI, Designer Mailchimp Nov 2022 - Jul '23

Headed the initiatives of the global design team in adapting the Mailchimp web application for various languages and regions.

Product Designer, Micstura Nov 2015 - Sep '22

Designed for a range of web applications and digital products for clients such as Tea Forte, Royal Caribbean, Sephora, and Google.

Creative Director, Grass Roots America May 2008 - Aug 2015

Tasked with managing and guiding a team of creatives, my role was to oversee the integrity of all client facing web properties.

Course Director, Full Sail University Jun 2002 - Mar 2008

Course director for Networks & Operating Systems, Digital Storytelling, and Final Projects. In charge of conducting lectures and curriculum development.

Education
